February 19, 2016

An act to amend Sections 130102, 130108, ~~130233~~, and ~~180260~~ ~~130233~~ of, to amend and renumber Section 130054 of, to add Chapter 7 (commencing with Section 130800) to Division 12 of, to repeal Section 130102.5 of, and to repeal Division 20 (commencing with Section 190000) of, the Public Utilities Code, and to amend Section 149.11 of the Streets and Highways Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1305, as amended, Morrell. San Bernardino County Transportation Authority.

Existing law authorizes a county board of supervisors to create or otherwise designate local agencies, including a transportation authority, which may impose a transportation sales tax subject to voter approval, a service authority for freeway emergencies, and a transportation congestion management agency, as specified.

The Joint Exercise of Powers Act authorizes the legislative or other governing bodies of 2 or more public agencies to jointly exercise, by agreement, any power common to the contracting parties, as specified.

The County Transportation Commissions Act provides for the creation of county transportation commissions in the Counties of Los Angeles, Orange, Riverside, San Bernardino, and Ventura, with various powers and duties relative to transportation planning and funding, as specified.

This bill would create the San Bernardino County Transportation Authority as the successor to the powers, duties, revenues, debts, obligations, liabilities, immunities, and exemptions, expressed or implied, of the San Bernardino County Transportation Commission and the County of San Bernardino local transportation authority, service authority for freeway emergencies, and local congestion management agency, and of the San Bernardino Associated Governments joint powers authority when it was acting on behalf of, or in the capacity of, those entities.

By imposing new duties on local government associated with this consolidation, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. It is the intent of the Legislature that the San
2 Bernardino County Transportation Authority be a unified and
3 comprehensive institution that combines the transportation-related
4 functions and authorities of the San Bernardino County
5 Transportation Commission and the County of San Bernardino
6 local transportation authority, service authority for freeway
7 emergencies, and congestion management agency, which are
8 currently exercised by the San Bernardino Associated Governments
9 joint powers authority by statute or by designation of the San
10 Bernardino County Board of Supervisors. It is the intent of the
11 Legislature that this act vest responsibility and liability for
12 transportation-related functions in the County of San Bernardino
13 in a single entity to promote administrative efficiency, enhance

1 public transparency, and ensure maximum accountability to the
2 people.

4 and renumbered to read:

32 directly related to the performance of duties as authorized by the
33 authority.

35 to read:

36 130233. (a) Except as provided in subdivision (b), if, after
37 rejecting bids received under Section 130232, the commission
38 determines and declares, by a two-thirds vote of all of its members,
39 that the supplies, equipment, or materials may be purchased at a
40 lower price in the open market, the commission may proceed to

1 purchase those supplies, equipment, or materials in the open market
2 without further observance of the provisions in this article
3 regarding contracts, bids, advertisement, or notice.

4 (b) If, after rejecting bids received under Section 130232, the
5 San Bernardino County Transportation Authority determines and

10 observance of the provisions in this article regarding contracts,
11 bids, advertisement, or notice.

31 then-current employees of the San Bernardino Associated
32 Governments shall be deemed to be employees of the authority
33 and all duties and obligations of the employment relationship shall
34 be assumed by the authority. The status of each employee deemed
35 to have become an employee of the authority by operation of this

1 purposes of Section 7522.43 and subdivision (c) of Section 31899
2 of the Government Code.

3 Transportation Authority connects to, or is near, similar toll
4 facilities constructed and operated by the Los Angeles County
5 Metropolitan Transportation Authority or the Riverside County

30 Vehicle Code, and the driver shall not be in violation of the Vehicle
31 Code because of that entry and use.

32 (d) (1) The San Bernardino County Transportation Authority
33 may issue bonds at any time to finance any costs necessary to
34 implement the program established pursuant to this section and
35 any expenditures provided for in paragraphs (3) and (4) of
36 subdivision (a), payable from the revenues generated from the
37 program and any other sources of revenues available to the San
38 Bernardino County Transportation Authority that may be used for
39 these purposes, including, but not limited to, sales tax revenue,
40 development impact fees, or state and federal grants.

(2) The maximum bonded indebtedness that may be outstanding at any one time shall not exceed an amount that may be serviced from the projected revenues available as described in paragraph (1).
